We are one of the best club bands playing the Greater Toronto Area, covering great music from the 60's to the present. We play the "Hey, I haven't heard that in a while...I always loved that tune!" songs.

The Pants are all about having fun and filling the dance floor...and that's what we do every time we play.

People are amazed at how good this band is (we hear it all the time) because we play the songs they love that other bands are not doing. We are constantly improving our show and adding more cool material.

HERE'S WHAT WE OFFER:

1. Always on time, professional and easy to get along with.
2. Three one hour sets geared to filling the dance floor.
3. Highest quality sound system, never too loud.
4. Professional lighting system.
5. We heavily promote the venues we perform at through social media, word of mouth and our web site.
6. We provide professionally designed, venue customized posters.
